

A desert landscape featuring large sand dunes under a dark, starry night sky. A bright full moon is visible in the upper right corner. The dunes are illuminated with a soft, warm light, creating a serene and majestic atmosphere. The foreground shows some sparse desert vegetation and a small tree on the right side.

REOPENING LBAC

Our leadership at LBAC is requesting your gracious and willing compliance with Health Orders from our [City of Long Beach Department of Health and Human Services](#) and the [County of Los Angeles Public Health Department](#) for 'Houses of Worship' ([Appendix F](#)) which specifies:

- Limit attendance to 25% of building capacity (not to exceed 100 people). For LBAC, this results in a capacity of 90 people (360=building capacity).
- Observe 6-feet of social distancing whenever possible while at LBAC.
- Wear face coverings in entry lines and while inside buildings at all times.
- Pre-registration to secure contact information in case of any outbreak and to assign seating which respects social distancing protocols.
- Request guests park in every-other space to discourage gatherings and create space for social distancing when arriving and departing.
- Virtual access provided for those who cannot attend in person services.
- Guests are screened at entry for respiratory symptoms and fever.
- Signage detailing protocols provided for clear communication.
- Disinfect facility regularly, and more often in high touch/traffic areas.
- Provide digital or touch free collection boxes for contributions
- Singing is only allowed when guests maintain social distancing and when preferably wearing face coverings inside church facilities.
- Hand sanitizer stations, tissues, and touch-less trash receptacles are provided at or near the entrance and in restrooms within our facility.
- If possible, provide all handouts in an electronic format to reduce surfaces.

Go to the link below beginning at 5:00PM each Sunday to register for the following week's service.
